

The Number One UK Swimming Pool Enclosure supplier for Commercial Businesses

Convert your outside pool with a Swimex enclosure

With a covered swimming pool you can use your pool all year round in a superb warm air atmosphere for all your customers.

Swimex provides a solution to create a new upgraded leisure facility for your business:

- Guaranteed use of the pool regardless of the weather or temperature
- Opportunity to renovate the pool to current ecological safety standards
- Reduce costs of pool heating, chemicals and cleaning
- Simple electronic air temperature control, day and night, all year round

Who are Swimex?

Swimex Enclosures' dedicated team have more than 20 years' experience in pool enclosure design and installation, with over 1,000 successful telescopic and fixed domestic and commercial buildings.

As premier specialists in pool enclosures, we can also optionally include changing rooms, showers, WCs, including disabled toilet / baby changing facilities.

Swimex will act with you (or appointed architects or surveyors) to design and bring to fruition the right technical and financial solution.

We have worked with leisure centres, holiday parks and camping sites across the UK. Reference list can be supplied on request.

Swimex delivers...

Bespoke fixed or telescopic enclosures as part of a Swimex Design & Build turnkey (patio, foundations, air heating, lighting, rubber safety flooring, filtration, upgrading old pool pipework, pool lining and thermal cover). Or just a 'light-touch', free co-ordination of works.

Site Safety

Under the Health and Safety at Work Act 1974 all persons entering this site must comply with all regulations under this act. All visitors must obtain permission from Swimex Fabrications to proceed onto this site or any work areas. Safety signs and procedures must be observed and personal protective equipment must be used at all times.

-  **Warning Dangerous Site**
-  **Site, enclosure & plant room must be locked when unattended**
-  **No access for unauthorised persons**
-  **Appropriate protective footwear must be worn at all times**
-  **This is a NO smoking site**
